

6. Should GDCh need to cancel the event, paid Exhibitor monies need to be refunded partially or in full. GDCh may retain some of the monies if the logo of the sponsor has been displayed on promotional material. The refund however comprises a minimum of 50% of the total amount of sponsorship money received.
7. If the sponsor withdraw from the contract, the full invoice amount will be charged if the exhibition space cannot be reassigned

General terms and conditions

1. The exhibitor is asked to adhere to the fire protection and other safety and existing legal requirements according to the VStättVO regulations. As well as the recommendations of the VDE - Association of the Electrical Engineering Electronics Information Technology e.V. as organized by the organizer. At the request of the fire brigade or the venue, the exhibitor has to order a fire safety guard. The exhibitor bears the associated costs.
2. Certain decorations, furnishings, and ornaments etc. must be at least flame-retardant (classification B1 according to DIN 4102). Loose-hanging ornaments/decorations are not permitted.
3. Each exhibitor is responsible for the removal of any waste and impurities during the set-up and dismantling period as well as the duration of the event. Items brought in (waste, packaging, brochures, information material, etc.) must be taken back at the end of the event.
4. The storage of stands / equipment in the building after the event is not allowed.
5. The exhibitor must ensure that the maximum permissible load values for the electricity current are not exceeded. Extension cables must be provided by the exhibitor. The equipment used must be in accordance with the accident prevention regulations "Electrical systems and operating equipment" (GUV-V A3) and be in perfect safety-technical condition. In the case of power supply, care must be taken to ensure that no cables are routed across traffic routes and exit/escape routes.

*The GDCh reserves the right to split the sponsorship amount in the contract. In addition to the sponsorship of the scientific event, direct promotional support of our additional services, e.g. social program items, is also planned. Please let us know if you do not wish this.

If you have special requests or ideas that deviate from the packages above, please contact us!

Donations

We would be very pleased to receive donations. Donations should be made to Gesellschaft Deutscher Chemiker e. V. Please note that donations are expenses toward supporting non-commercial uses and are voluntary. They can only be used to support the scientific program. There will be no contract and no VAT. Donors will receive a tax-deductible receipt. There will be no direct return and company logos cannot be published in connection with the conference. Typically, the donors are acknowledged by name during the conference.
